Career Objective: "Driven Data Scientist with a strong educational background in MSC (Data Science) and a passion for transforming raw data into actionable insights. Seeking a challenging role at an innovative company where I can apply my programming skills in Python, along with my expertise in data analysis, to drive business growth and success through data-driven decision-making."

Education:

Post Graduation (MSc)

Gitam University, Visakhapatnam.

2022-2024

CGPA-8.1

Under Graduation (BSc)

Sri Harshini Ug and Pg college, Ongole

2018-2021

CGPA-7.3

Intermediate (MPC)

Sri Sai Vikas junior college, Markapuram

2018

Marks- 836/1000

SSC:

Government High School, Dornala

2016

Grade-7.3

Technical Skills:

- Programming: Python, C, Java.
- OS: Windows, Linux.
- Database: SQL, NoSQL.
- Domains: Data Science, Machine Learning, Deep Learning.
- Cloud Computing: AWS(Devops).
- Tools: MS Office, Power BI, Git, GitHub, Dockers, Spark.

Soft Skills:

- Time Management
- Problem Solving
- Teamwork
- Adaptability
- Flexibility
- Multi-tasking

Projects:

Project Title: Automated Data ETL Pipeline with Apache Airflow on AWS EC2

Description: I did a project focused on designing and automating a robust ETL (Extract, Transform, Load) pipeline using Python and Apache Airflow, hosted on AWS EC2 infrastructure. This initiative showcased my expertise in data engineering and cloud technology integration.

Project Title: Machine Learning for Telecom Customer Churn Prevention

Description: As part of my data science journey, I undertook a comprehensive project focused on "Machine Learning for Telecom Customer Churn Prevention." This project allowed me to apply a wide range of data science techniques to address a critical business challenge within the telecommunications industry.

Certifications:

- Data Analytics Essentials.
- Empowering Business with Effective Insights virtual experience program.
- Getting Started with Power BI Desktop
- Understanding Basic SQL Syntax
- Tableau Public for Project Management and Beyond
- Effectively Dealing with Imbalance Classes

Internships:

- **AWS Data Analysis**
- **Data Analytics Virtual Consulting internship**

Declaration:

I hereby insist that all information furnished is correct to the best of my belief.
